Privacy Overview

Facebook wants you to share your information with exactly the people you want to see it. On this page, you'll find all the controls you need to set who can see your profile and the stuff in it, who can find and contact you on Facebook, and more.

Profile

You are in one network and you can control who can see your profile, contact information, groups, wall, photos, posted items, online status, and status updates.

Edit Settings

Search

You can control who can find you in searches and what appears in your search listing.

Edit Settings

News Feed and Mini-Feed

You can control what actions show up in your Mini-Feed and your friends' News Feeds.

Edit Settings

Poke, Message, and Friend Request

You can select which parts of your profile are visible to people you contact through a poke, message, or friend request.

Edit Settings

Applications

You can edit your privacy for applications you have added to your account, applications that you have used on another website, and other applications built on Facebook Platform.

Edit Settings

Block People

If you block someone, they will not be able to search for you, see your profile, or contact you on Facebook. Any ties you currently have with a person you block will be broken (friendship connections, relationships, etc).

Person:

Block List

You have not blocked anyone.

Limited Profile

If you want to hide some of the information in your profile from specific people, add them to your limited profile list below.

[Edit Settings](#)

Person:

Limited Profile List

You have not limited profile access to anyone.
